### CENTRE CHIRO-EXPRESS POLICIES

Welcome to Centre Chiro-Express. Our team is very grateful to have you as a patient and will do everything possible for you to obtain a state of optimal health using their good quality and natural treatments.

#### APPOINTMENT AND MISSED APPOINTMENT POLICIES

- During the doctor's report, the treatment frequency will be established according to your specific condition, it is therefore important that you are present for each appointment.
- If you cannot make it to your appointment, we ask you to advise us at least 1 hour prior to the scheduled time, thus another patient could benefit from this time period.
- If you miss an appointment without cancelling it in advance, a **10\$ fee** will be added to your next appointment's treatment charge. Please note that this fee **will not** be included in your insurance receipt.
- If you are late for an appointment, the chiropractor may not be able to see you in order to respect the schedule and the patients who are on time. In such case, you must reschedule your appointment for later the same day or another day.
